

## Stage 6 Life Skills courses

ACE 7001

*Last Updated: 18 December 2017*

Stage 6 Life Skills courses provide options for students with disability who are unable to access regular course outcomes, particularly students with an intellectual disability

The Stage 6 Life Skills courses can be undertaken in combination with other Board Developed and/or Board Endorsed Courses to meet the requirements for the award of the Higher School Certificate.

Stage 6 Life Skills courses have Board Developed status. Each Stage 6 Life Skills course comprises a 2-unit 120-hour Preliminary course and a 2-unit 120-hour HSC course, with the exception of Studies of Religion I Life Skills, which is a 1-unit course (60 hours).

Schools may wish to design a Life Skills course as a School Developed Board Endorsed Course to meet the local needs of their students in areas where there is no Board Developed syllabus.

### **Exclusions**

As with the study of all Board Developed Courses, exclusions apply to the study of Life Skills courses such that students may not study more than one 240-hour course in the same subject. For example, a student cannot include both English (Standard) and English Life Skills in the pattern of study for the award of the Higher School Certificate.
